9,000 TO
24,000 BTU

The MOST Efficient

The Eclipse series is one of the most efficient for its capacity in the industry. At 17 SEER you can cool or heat your room for minimum electricity usage.

A very appealing mini-split brings many standard features like: The auto restart, auto cleaning, quit mode, washable high definition filter, back lighting remote controller, LED display on front panel, low ambient capacity, and many more features.
